FOAMING COOLING COIL CLEANER

AEROSOL / COIL CLEANER

VAPCO PART NO.

Part Number
FCC-1

Size
18 oz 12/cs

DESCRIPTION

FOAMING COOLING COIL CLEANER is an evaporator cleaner designed for difficult to reach cooling coils. FCC dissolves grease, and can easily be washed away with condensate. The product's formula cleans and deodorizes evaporator coils without oxidation problems. The powerful cleaning foam is pushed through coils by forced air. No rinsing necessary.

FEATURES AND BENEFITS

- Fast Acting Formula
- Cleans and Deodorizes
- No Rinsing Required
- Meets USDA Standards

SPECIFICATIONS

Form: Clear, Colorless Aerosol | **Odor:** Citrus scent, moderate ammonia odor | **Freezing Point:** < 32°F (0°C) | **Flammability:** Flammable Aerosol | **Vapor Pressure (mm Hg):** 23.8 mmHg @ 25°C (77°F) | **Vapor Density (AIR=1):** 1 | **Evaporation Rate:** < 0.8 (Slow) | **Specific Gravity (H2O=1):** 1.000 @ 77°F (25°C) | **pH:** 12.3 | **Solids (%):** 3% | **Solubility in Water:** 100% | **Volatility Including Water (%):** 97% | **Volatility Organic Compounds (VOC):** < 15%

LABEL INFORMATION

FOAMING COOLING COIL CLEANER is formulated to penetrate and remove dirt and matted material from condenser coils and fins, eliminating the need for high pressure sprayers and bulky tank sprayers. Upon contact with the surface of the coil, the foaming action of the product begins to remove the soil from the surface. Rinsing is not required. Dirt and lint are washed away with condensation, leaving unit cleaned and deodorized.

Directions for use : Turn fan OFF. Shake can well prior to using. Scrape off matted or loose material with brush. Hold can 12 inches from air intake side of coils. Spray between fins to allow product to penetrate inner surfaces. Allow to stand for 5 minutes. Turn fan on.

DO NOT use in any manner for which it was not designed. Always wear safety glasses when when applying product.

Dangers: Read and understand the product's label and Safety Data Sheet.

Do not take internally. Avoid contact with eyes. Can cause eye irritation, and may cause burns if left untreated. Can cause skin irritation, dermatitis with prolonged exposure. Can cause gastrointestinal irritation, headaches, nausea, diarrhea, vomiting, abdominal cramps if ingested.

CONTAINS

FOAMING COOLING COIL CLEANER CONTAINS (CAS#) : Water (7732-18-5), 2-Butoxyethanol (111-76-2), Propane/n-Butane (68476-86-8), Isopropyl Alcohol (67-63-0), EDTA (60-00-4).

First Aid Measures

Inhalation: Move to fresh air. If breathing is difficult, administer oxygen. **If not breathing, administer artificial respiration or at any sign of loss of consciousness seek immediate medical attention.** **Skin Contact:** Immediately wash with soap and water for 15 minutes. Remove contaminated clothing and shoes immediately. **See Physician if irritation persists.**

Eye Contact: Remove contact lenses if present. Flush with water for at least 15 minutes. **See Physician if irritation persists.**

Ingestion: Rinse mouth with water. Do NOT induce vomiting unless directed by medical authority. **See Physician if irritation persists.**

Precautions

Do NOT handle or use this product until all safety precautions have been read and understood. General ventilation should be used. Provide sufficient mechanical ventilation to maintain exposure below the recommended exposure limits. Wear safety glasses. Wash hands and clothing in contact with product after use.

Storage

Keep out of reach of children. Protect from sunlight. Store in a well ventilated place. Do not expose to temperatures exceeding 50°C/122°F. Pressurized container. Do not pierce or burn, even after use. Keep away from heat/sparks/open flames/hot surfaces. No smoking.

In Case of Fire

Use appropriate media for surrounding fire. Wear NIOSH approved Self Contained Breathing Apparatus with a full face piece operated in a positive pressure demand mode with full body protective clothing when fighting fires. Keep away from heat/sparks/open flames/hot surfaces. No smoking. Contains oxides of carbon.

Disposal

Use non-combustible material like vermiculite, sand or earth on spill. Sweep to clean. Small releases may be wiped up with wiping material. Dispose of contents in accordance with local/regional/national regulations. Do not flame cut, braze, or weld. Empty container is very hazardous. Product should be fully characterized prior to disposal.
