# FOAM TAPE

### VAPCO PART NO.

Part Number	Size
FT-1	2" x 1/8" x 30' 12/cs
FT-1B	2" x 1/8" x 30' 12/cs

INSULATION

## DESCRIPTION

**FOAM TAPE** Prevents condensation on pipes and tubing with a service range of -20°F to 180°F. Will not shrink, dry out or pull away from a surface when properly applied. Provides a single layer insulation value of .26 (K factor). Will not corrode copper and other metals.

## FEATURES AND BENEFITS

- Insulates Pipe
- Stops Sweating
- Paintable
- Easy to Apply
- Self Adhesive
- Won't Harden or Crack
- Won't Shrink, Dry Out or Pull Away

## SPECIFICATIONS

**Appearance and Odor:** Black Rubber | **Boiling Point:** > 400 °F |  
**Vapor Density:** > 1 | **Evaporation Rate:** > 1 | **Percent Volatiles:** 100% Solids | **Flash Point:** > 435 °F (component) by TCC

## LABEL INFORMATION

**FOAM TAPE** provides a single layer insulation value of 0.26 (K factor), about 40% more value than cork tape. It effectively stops sweating on cold pipes used in refrigeration, freezer and air conditioning systems. The tape's pressure sensitive adhesive forms a long-lasting bond with clean metal surfaces. Vapco Foam Tape will not shrink, dry out or pull away from surface when properly applied to clean metal, rubber, glass, plastic and painted surfaces. Vapco Foam Tape is made with an expanded, closed cell, elastomeric material. It will not corrode copper and other metals. Use at temperatures between -20°F to 180°F.

## First Aid Measures

**First Aid** is normally not required for this product.

## Precautions

**Personal protection and Ventilation** are not required under normal conditions of use.

## Storage

**Keep out of reach of children.**  
Store in dry cool areas.

## In Case of Fire

Use dry chemical, foam or Carbon Dioxide (CO<sub>2</sub>) to extinguish fire. Wear NIOSH approved Self Contained Breathing Apparatus with a full face piece operated in a positive pressure demand mode with full body protective clothing when fighting fires.

## Disposal

Dispose of in accordance with federal, state, and local regulations.
