

ICE MACHINE MAINTENANCE

DESCRIPTION

ICE MACHINE CLEANER is a non-foaming, non-fuming stainless steel safe cleaner that quickly removes lime scale from ice-making equipment. This concentrated liquid cleaner acts fast to increase ice quality and capacity when scale deposits are a problem. Can also be used to clean vending machines, soft drink dispensers, coffee urns and humidifiers. Made from food grade materials. Meets USDA standards.

FEATURES AND BENEFITS

- Cleans and Removes Lime Scale and Mineral Build-Up
- Non-Fuming and Non-Foaming
 Safe on Stainless Steel
- SPECIFICATIONS

Form: Light Yellow Liquid | Odor: Acid Odor | Boiling Point: $> 212^{\circ}F (100^{\circ}C)$ | Freezing Point: $< 32^{\circ}F (0^{\circ}C)$ | Flammability: Not considered a flammable liquid by OSHA | Vapor Pressure (mm Hg): 23.8 mmHg @ 77°F (25°C) | Vapor Density (AIR=1): 1 | Evaporation Rate: < 0.8 (Slow) | Specific Gravity (H2O=1): 1.6 @ 77°F (25°C) | pH: < 1 | Solubility in Water: 100% | Volatility Including Water (%): 25% | Volatility Organic Compounds (VOC): 0%

LABEL INFORMATION

ICE MACHINE CLEANER quickly removes lime scale from ice making equipment. Works safely on stainless steel. Contains no chlorine or chlorides, and does not give off harsh fumes. Authorized for use by the USDA in federally inspected meat and poultry plants. Ice Machine Cleaner improves ice capacity and quality by removing built-up scale that causes ice to stick to mechanisms and cause jamming. Works great on ice making equipment, coffee brewers and humidifiers.

DIRECTIONS: Turn off ice machine. Drain water reservoir and refill with fresh water, adding 4 ounces of Ice Machine Cleaner per 1 gallon of water in the system. More cleaner may be needed if scale is extra heavy. If equipment is cleaned regularly, less cleaner may be required. Start water circulating pumps only and run 15-30 minutes. Use a brush to apply cleaner to scaled surface not adequately contacted by circulating solution. After all scale has been removed, drain system. Refill system with clean water and flush thoroughly. Drain and return machine to service. Discard first batch of ice.

DANGERS: Read and understand the product's label and Safety Data Sheet.

Do not use on nickel plated or galvanized surfaces. Keep from freezing. Causes severe skins burns and eye damage. May be corrosive to metals. Do not breathe mists. Wash hands thoroughly after handling. Wear protective gloves and eye protection. Provide adequate ventilation to keep vapor concentration below TLV. Keep only in original container.

VAPCO PART NO.

Part Number IMC-1 IMC-1/2P Size 1 gallon 4/cs 8 oz 12/cs

First Aid Measures

Inhalation: Remove person to fresh air and keep comfortable for breathing. **Seek medical attention if you feel unwell.**

Skin contact: Take off immediately all contaminated clothing. Rinse skin with water or shower.

Eye Contact: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. **Seek medical**

attention if irritation persists.

Ingestion: Rinse mouth. Do NOT induce vomiting. **Seek immediate medical attention.**

Precautions

Keep out of reach of children. Do not breathe mists. Wash hands thoroughly after handling. Wear protective gloves and eye protection

<u>Storage</u>

Keep out of reach of children. Store in a cool, dry area away from extremes of temperature. Keep container tightly sealed when not in use. Store locked up.

In Case of Fire

Use water or appropriate media for surrounding fire. Wear NIOSH approved Self Contained Breathing Apparatus with a full face piece operated in a positive pressure demand mode with full body protective clothing when fighting fires. Non-combustible. Water spray may be used to keep fire exposed containers cool.

Disposal

Dispose of in accordance with federal, state, and local regulations. Do not reuse container and recycle or place in trash collection. Drums and pails should be offered for recycling. This product is biodegradable.

CONTAINS

ICE MACHINE CLEANER CONTAINS (CAS#) : Phosphoric Acid (7664-38-2), Water (7732-18-5)
